IS YOUR SIDE HUSTLE ELIGIBLE?

-  Demonstrate a sustainable household income outside of the side business.
-  Agree to work with a mentor for up to two years (four to five hours a month).
-  Assure there is no intention of converting side business to full-time operations within the next 12 months. If you plan on turning your existing side business full-time, you might be eligible for our Start-up Program.
-  Agree to provide authorization for Futurpreneur Canada to carry out a credit check.
-  Assure that the business is NOT in the research and development stage.

A side business must fall within specified industry guidelines in order to be approved for financing. For additional eligibility information, please visit futurpreneur.ca/sidehustle.
